

Our new standard of plasterboard liner

Over the last 12 months we have been investing in equipment upgrades and innovating our manufacturing processes to deliver you a new standard in plasterboard liner.

10% brighter*

10% stronger*

- ✓ Stronger
- ✓ Whiter
- ✓ Brighter

Contact Visy for a sample on **13 VISY (13 84 79)** or visit [visy.com.au](https://www.visy.com.au)

*Based on comparison of results from spectrophotometer testing and machine direction tensile testing against equivalent Visy product manufactured in August 2020

VISY
FOR A BETTER WORLD

Helping you deliver excellence to your customers

✓ Better design

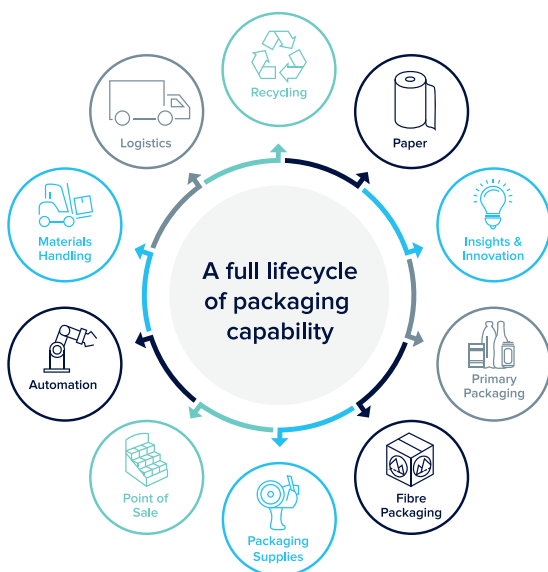

Innovation, strength, brightness, whiteness

✓ Better local supply chain

Flexibility, reliability, operational efficiencies

Our local footprint brings you continuity and speed to market

Visy's new standard of plasterboard liner is produced right here in Australia, increasing reliability and flexibility through our local supply chain. Our proximity to your operations provides you with delivery confidence and a greater speed to market, while allowing us to respond rapidly to your product requirements and changing market conditions.

Supporting your supply chain with our end-to-end solutions

Supply of our plasterboard liner is supported by our end-to-end services and solutions, including logistics and packaging. Our international team are experts in logistics, procurement services, sales and training, and can assist you in maximising your supply chain performance.
